CONSTRUCTION ALERT

OC Public Works

Aliso Creek Flood Control Channel Maintenance

Temporary bike trail closures needed during construction.

OC Public Works will perform repairs along the Aliso Creek Channel, downstream of Los Alisos Blvd. to maintain the channel and support flood protection for the surrounding community.

WHAT

Activities will include removal and replacement of damaged concrete channel lining inside the channel, and replacement of damaged grouted rocks ("rip rap") at the drop structure/access ramp.

Residents and property owners adjacent to the channel should expect temporary construction noise during working hours.

- Trail users may experience intermittent closures and detours.
- Signage and flag personnel will be in place to divert traffic.

Your safety is our top priority.

Flood control channels can be dangerous; public access is prohibited.

Please stay clear of the project area and follow all posted safety signs and directions from personnel.

WHEN

Anticipated Construction Duration

November 30, 2026 - February 2027

Working Days and Hours

Monday - Friday, 7:00 a.m. - 5:00 p.m.

The construction schedule is tentative and subject to change due to weather and other factors.
