

CONSTRUCTION ALERT

Trail Bridges Improvement Project (Phase II)

Pedestrian bridge improvements within the Wilderness Area at Mason Regional Park. Trail closures necessary.

OC Public Works will perform pedestrian bridge improvements on the remaining two bridges within the Wilderness Area at Mason Regional Park, east of Culver Drive. This work will complete the Trail Bridges Improvement Project, helping reduce flooding and improving public safety in this area. Trail closures are necessary to complete this important work and maintain public safety.

WHAT

- Crews are installing two (2) pedestrian bridges in the Wilderness Area (Bridge 4 and Bridge 5) at the locations shown below.
- **Trail closures in effect at all times** are necessary to accommodate these important trail improvements.
- Intermittent closures may occur along the open areas to allow for passing construction vehicles.
- Pedestrians can use open, available trails to bypass the work areas.

WHEN

Anticipated Construction Duration

August - November 2026

Working Days and Hours

Monday - Friday, 7 a.m. - 4 p.m.

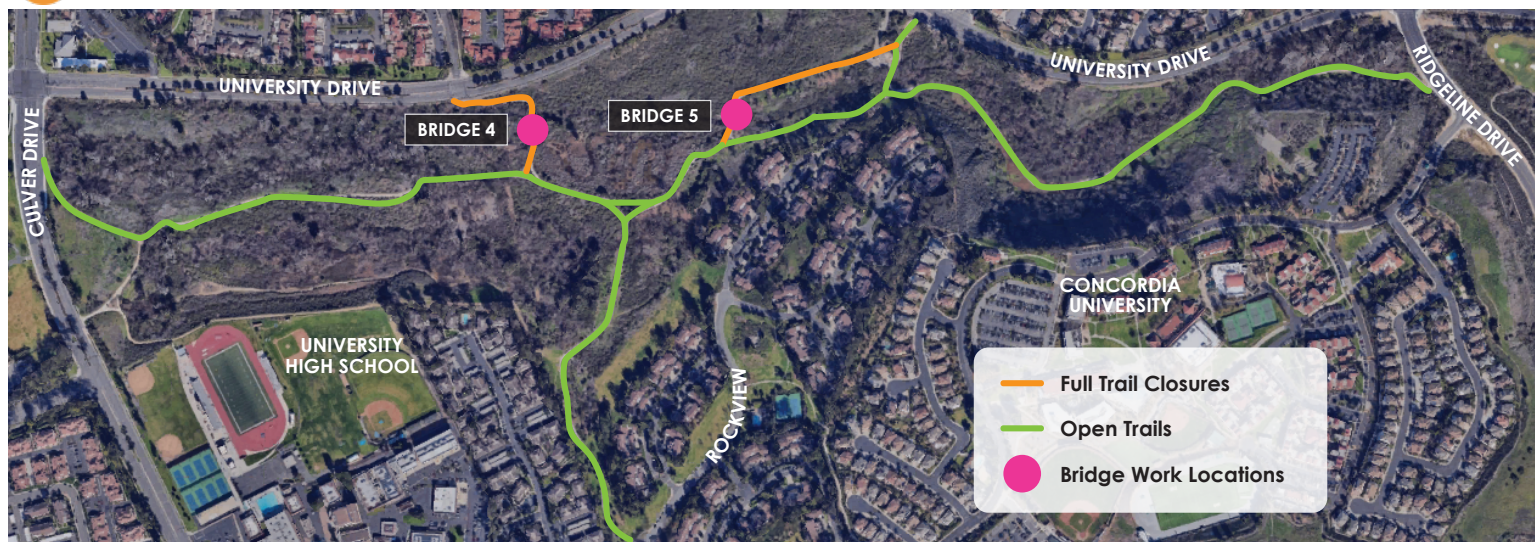

The construction schedule is tentative and subject to change due to weather and other factors.

Your safety is our top priority!

This is an active construction area. Please observe all trail closure signs, barriers, flaggers and project vehicles moving in and out of the work area.
