

ROAD CLOSURE ALERT

Trabuco Canyon Road Over Trabuco Creek: Intermittent Full Bridge Closures With Detours During Storm Season

Anticipated Duration of Closures and Detours

As needed during Storm Season

October 15, 2026 - April 15, 2026

Working Days and Hours will vary
based on water flow and bridge conditions

*The construction schedule is tentative and subject to
change due to weather and other factors.*

Intermittent closure of both lanes (eastbound and westbound) and detours will be implemented as needed during heavy water flow to ensure roadway safety. No vehicle, cyclist, pedestrian or equestrian access will be permitted during storm closures.

- Crews will be monitoring the flow levels of Trabuco Creek daily and working to clear the roads of any debris as needed.
- Traffic control devices will be placed at both entrances of each side of the closures.
- Barricades, K-rails, Signage and Message Boards will be placed at the time of the closures throughout the storm season.
- Crews will be on standby and heavy equipment will be in the area to assist with moving material.

Safety is our top priority.

Please observe all project safety signs, barriers and personnel.

**Please plan ahead.
Alternate routes will be needed
during storm closures.**
