# MAINTENANCE ALERT

OC Public Works

## San Juan Creek Channel Repair at Stonehill Drive

**Temporary trail closures needed during construction.**

**OC Public Works will perform maintenance repairs along the San Juan Creek Channel near Stonehill Drive to maintain the channel and support flood protection for the surrounding community.**

### WHAT

Activities will include removal and replacement of approximately 225 linear feet of damaged concrete channel lining inside the channel.

Residents and property owners adjacent to the channel should expect temporary construction noise during working hours.

- Trail users may experience intermittent closures.
- Signage and flag personnel will be in place to divert traffic.

**Your safety is our top priority.**

Flood control channels can be dangerous; public access is prohibited.

Please stay clear of the project area and follow all posted safety signs and directions from personnel.

### WHEN

**Anticipated Construction Duration**

November 4 - December 31, 2026

**Working Days and Hours**

Monday - Friday, 7:00 a.m. - 5:00 p.m.

*The construction schedule is tentative and subject to change due to weather and other factors.*
